

# Gastroenterology Fellowship

Original ACGME accreditation date: 07/01/2001

Program Director Name (Year appointed)

Yasmin Alishahi, MD (2020)

ACGME Current Approved Complement

9

Accreditation Status

Continued Accreditation

Length of Training

3 years

## Accomplishments

- ▶ GI Fellows, program director, and program coordinator raised awareness for colon cancer with a 5K walk in March 2021 while wearing blue “✓ur.” shirts
- ▶ Great improvements in the GI fellowship experience partly due to monthly meetings with GI fellows and Program Director
- ▶ Three of our GI fellows received awards at the UArizona College of Medicine — Phoenix Michael Grossman Academic Excellence Day
- ▶ Addition of experience for the GI fellows in advanced endoscopy, motility, inflammatory bowel disease, radiology, and colorectal surgery

## Strengths

1. Diversity of patient population at both Banner — University Phoenix and VA Phoenix Health Care
2. Our GI fellows become incredibly skillful at endoscopy due to high volume of procedures and teaching by our dedicated faculty
3. GI faculty members mentor and coach our fellows in career choices
4. The GI fellows are known for their camaraderie and support for each other during difficult times
