

## Counselor Overview

As a Summer Scrubs Counselor, you will have the unique opportunity of mentoring high school students who strive to be in your shoes one day. The students you will interact with come from diverse backgrounds and are passionate about pursuing a career in healthcare. As a counselor, it will be your job to inspire these students to achieve their goals. Other duties include monitoring the progress of assigned students, supervising program activities, and assisting with guest speakers.

This is a perfect opportunity for you to get an inside view of our college and culture!

## Application Information

The 2025 Summer Scrubs Counselor application will be due on Sunday, March 2, 2025 by midnight.

December 1, 2024, you can access the application on our website:

[phoenixmed.arizona.edu/summerscrubs](https://phoenixmed.arizona.edu/summerscrubs)

The application will require 2 references, and a recommendation letter.

- **References**
  - We will be contacting your references via email. We encourage you to select individuals who can speak highly of you and your character (i.e. Internship supervisor, volunteer coordinator etc.). We will not accept family members as references.
- **Recommendation Letter**
  - We will be contacting the individual you selected to write the recommendation letter via email ([chipyoung@arizona.edu](mailto:chipyoung@arizona.edu)). It is your responsibility to make sure they complete their recommendation. Once they complete their recommendation, you will receive an email stating that your application is complete.
- **CPR Certification**
  - You are not required to be CPR certified. If you are certified, you will be asked to email a copy of your CPR certification.

- **Interview**

- The week of March 10th, a Summer Scrubs staff member will be reaching out to you for your availability.
- If you are selected for an interview, we will be asking you to join us on campus to meet our team.
- This interview is a chance for us to get to know you and your fit for this position.
- You will also be asked to bring a group activity or icebreaker that you would run with high school students.
  - Your activity can be for a group of 4-36 students.
  - You will facilitate this activity in your interview just as you would with high school students (it can be shortened for the sake of time). Meaning you will go over the instructions and have those in the interview participate in what you have planned.
  - This is your opportunity to be creative, think outside of the box, be fun, and engaging.

On the application, you will have the option of selecting which summer camp session(s) you are most interested in. You are welcome to select more than one.
