Biohazardous Waste Disposal for UA COM-P Laboratories at ABC-1:

Biohazardous waste is picked-up every Friday, between 10:00am – 12:00pm, Waste Management Healthcare Solutions will collect biohazardous waste deposited in the red 96 gallon bins located in coldrooms 344 and 444 on the 3rd and 4th floor of ABC-1.

Frozen animal carcasses may be deposited by 9:15am on Friday mornings in the red biohazardous waste bin located in coldroom 351 on the 3rd floor. This bin is dedicated only for animal carcasses and will be flagged with lime green tape provided by UofA-Tucson’s Department of Risk Management Services.

Biohazardous Waste Disposal for UA COM-P Laboratories on the 3rd Fl. of Tgen:

Biohazardous waste is picked-up every Friday from Rm 117 on the 1st floor. The University of Arizona COM-PHX has one 96 gallon bin in Rm 117 dedicated to regular biohazardous waste. A second 96 gallon bin in room 117 is designated to animal carcass disposal and is flagged with lime green tape. Red biohazardous waste bags deposited into the bins need to be labeled with University of Arizona COM-P stickers. The stickers can be obtained from the Laboratory Coordinator. Additionally, clearance for access to Rm 117 must be arranged through the Manager of Laboratory Operations, Sepideh S. Hockley, shockley@email.arizona.edu.
