“Climbing the Academic Ladder to Tenure”

As a mentee, when specific information about navigating the promotion pathway and seeking tenure, a highly recommended resource is the following:

A Clay Shoenfeld
Robert Magnan

The authors present a comprehensive plan to tackle the following essential elements in the process:

1) Understanding Institutional Territory
2) Mastering the Teaching Challenges
3) Mastering the Research Challenges
4) Mastering the Service Challenges

Once you are armed with the tools outlined in the book, the next step is to find one or several mentors to apply tools to the specifics of your situation and setting.
