University of Arizona Holiday Schedule

Campus Safety

The University of Arizona College of Medicine-Phoenix is a closed campus. Students, Faculty and Staff are required to wear their PBC card visibly at all times while on campus. PBC cards are required to gain entry into the building and are programmed to allow entry only during specified hours.

http://phoenixmed.arizona.edu/campus/security

Important Numbers:

Campus Security: 602-827-2368
Front Desk: 602-827-4350
Emergency campus number: 602-827-2222
Police, Fire, Medical Emergency Dial 911

Hours of Operation:

Students are allowed in the Health Sciences Education Building only when a security guard is present. Students will be required to leave the buildings when the security guard is making his/her final walk through the buildings. If students fail to leave the building they will be considered to be trespassing and will face disciplinary action.

Students are allowed on campus after the above listed hours if they are in the company of a U of A faculty who has extended hours privileges.

As a locked campus students are not to allow anyone to enter who is not properly credentialed. Doors should not be propped open as this breaches the security of the campus. Please do not use the handicapped button to open the doors if you are not handicapped as it leaves the doors open for a longer period of time, which invites security breeches.
**Blue Emergency Phones** are at the following campus locations:

- East Side Building 2
- West Side of Building 2
- North of Building 2

**Visitors**

All visitors to campus are required to check in at the building reception station. Visitors may be asked to wear a visitor badge while on campus.
