# About us

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences... [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

# Conference and Webinar Details

## About Conference

The **4<sup>th</sup> International Conference on Gynecology and Obstetrics** will be held on **May 11–12, 2026**, in **Kuala Lumpur, Malaysia**, under the theme “***From Research to Practice: Innovations in Women’s Health***.” This global forum will bring together leading professionals, researchers, and experts to share the latest advancements, research findings, and clinical practices in gynecology and obstetrics. The event offers an enriching platform for knowledge exchange, collaboration, and professional growth, aimed at improving women’s healthcare outcomes worldwide.

Through keynote speeches, scientific presentations, interactive sessions, and networking opportunities, the conference fosters the integration of cutting-edge research into clinical practice. Attendees will engage in meaningful discussions on current challenges, innovations, and future directions in women’s health, maternal care, fertility, oncology, and more.

Join us in shaping the future of gynecology and obstetrics by contributing your insights and expertise at this prestigious international gathering... [\(click here for more\)](#)

## About Webinar

We are delighted to invite you all to attend the “**4<sup>th</sup> International Webinar on Gynecology and Obstetrics**”, which will be held virtually from **May 25–26, 2026**, as per the **Malaysian time zone (GMT+8)**. The event will feature timely Keynote Lectures, Oral Talks, E-Poster Presentations, Video Presentations, and Workshops. You can participate in these dynamic sessions led by world-renowned experts — all from the comfort of your home or office.

Our virtual conference offers an engaging space to reconnect with colleagues, schedule one-on-one meetings, and expand your global professional network. Attendees will have opportunities to share insights, gain new perspectives, and collaborate with peers and leaders in the field... [\(click here for more\)](#)

# Past Event Report

## About Past Event:

The **3rd International Conference on Gynecology, Obstetrics and Infertility**, held in Dubai, UAE from **May 05-06, 2025**, was a landmark event that brought together distinguished experts, clinicians, researchers, and healthcare professionals from across the globe. Organized under the central theme “*Global Perspectives in Gynecology and Obstetrics*.”

Keynote presentations, oral research sessions, and clinical case discussions highlighted the latest advancements and best practices from both developed and developing regions, fostering a truly global exchange of knowledge. The event also provided an exceptional opportunity for early-career professionals and students to present their findings and connect with leading authorities in the field. The success of the 3rd International Conference on Gynecology, Obstetrics and Infertility was made possible by the enthusiasm of its participants, the excellence of its speakers, and the dedication of the organizing committee. The organizing team extends its sincere gratitude to all speakers, sponsors, and delegates, and looks forward to welcoming participants to the next edition of the conference..
