About us

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences... [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

Conference and Webinar Details

About Conference

Following the resounding success of our previous editions, including the recent gathering in Dubai, it is with great pleasure and anticipation that we welcome you all to join our **4th International Conference on Neuroscience and Mental Health**, to be held on **May 14–15, 2026**, in the dynamic city of **Kuala Lumpur, Malaysia**. The theme, **“Neuroscience and Mental Health: Healing Mind, Brain, and Society”** reflects our commitment to advancing scientific knowledge while addressing the broader social and emotional dimensions of mental health care.

Neuroscience Congress 2026 will bring together leading scientists, clinicians, mental health professionals, and researchers from around the world to share knowledge, discuss groundbreaking advances, and explore new challenges in neuroscience, neurology, psychiatry, psychology, and mental health. With a thoughtfully curated scientific program, interactive sessions, and engaging networking opportunities, we aim to foster meaningful dialogue that inspires change and progress in both practice and policy.

We invite you to join us in shaping the future of brain and mental health care... ([click here for more](#))

About Webinar

We are delighted to welcome you to the **4th International Webinar on Neuroscience and Mental Health**, taking place virtually on **May 28–29, 2026**, in the **GMT+8** time zone.

This virtual event is designed to bring together leading researchers, clinicians, mental health professionals, and advocates from around the world to share cutting-edge knowledge and innovations in neuroscience and mental health. Over two engaging days, participants will explore the latest scientific discoveries, clinical advancements, and collaborative approaches that are shaping the future of brain and mental health care.

Join us online as we advance understanding and foster global collaboration to improve mental health outcomes worldwide. ([click here for more](#))

CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions.
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Excellent platform to showcase the latest products in Neuroscience and affiliates

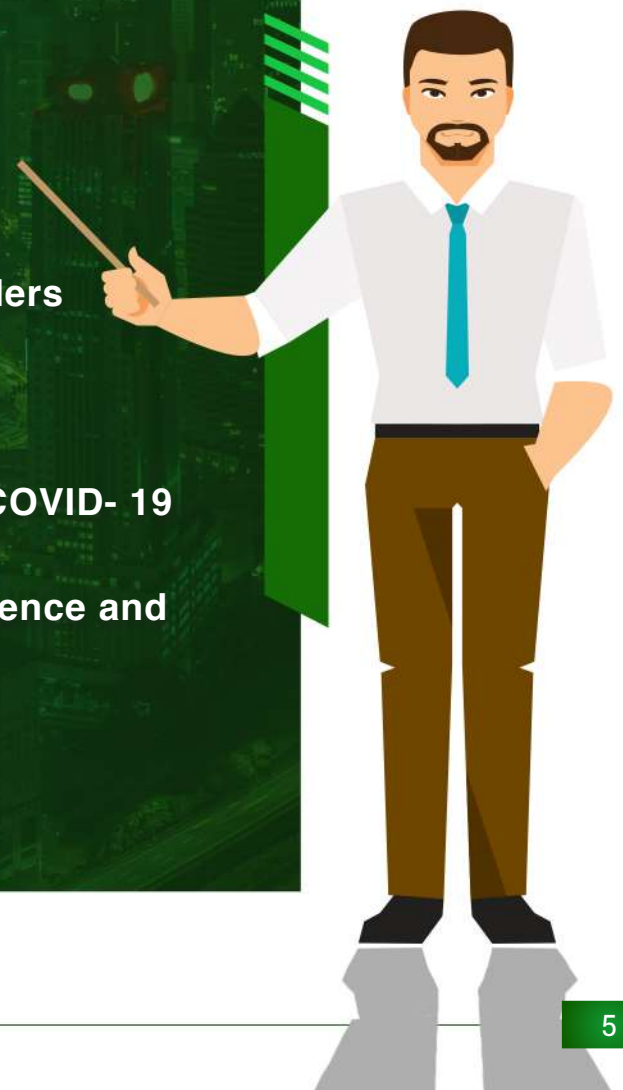

TARGET AUDIENCE

- Neurologists, Neurosurgeons,
- Neuroscientists, and Researchers
- Neurology Faculty and Students
- Neuro-oncologist and Neuroimmunologist
- Psychiatrists and Psychologists
- Doctors and Scientists
- Universities, Associations, and Societies
- Students and Research Scholars
- Business Delegates
- Product Manufacturer
- Healthcare Professionals

Session Highlights

- **Neuroscience and Neurology**
- **Central Nervous System**
- **Cognitive and Behavioural Neuroscience**
- **Neuropharmacology and Neuroendocrinology**
- **Neuro-Oncology**
- **Brain and Neurological Disorders**
- **Neurosurgery and Spine**
- **Pediatric Neurology**
- **Psychology and Mental Health**
- **Stress, Trauma, and Resilience**
- **Neuropsychiatry and Psychiatric Disorders**
- **Child and Adolescent Psychiatry**
- **Neurological Outcomes After Effect of COVID- 19**
- **Research and Case Studies in Neuroscience and Mental Health**

About Venue

AC HOTEL BY MARRIOTT KUALA LUMPUR

09, Off, Jalan Lumut, Jalan Ipoh, 50400 Kuala Lumpur,
Wilayah Persekutuan Kuala Lumpur, Malaysia

AC Hotel Kuala Lumpur is a contemporary Marriott property located at 09, Off Jalan Lumut, Jalan Ipoh, in Kuala Lumpur. This stylish hotel offers modern guest rooms, free Wi-Fi, an outdoor pool, and a fitness center, catering to business and leisure travelers alike. It features versatile meeting and event spaces ideal for conferences and gatherings. The convenient location provides quick access to the Putra World Trade Centre, Kuala Lumpur City Centre, and Petronas Twin Towers. Guests can explore nearby restaurants, shopping malls, and cultural sites. Excellent public transport links, including LRT and KTM stations, ensure easy travel across the city.

Nestled in the heart of Southeast Asia, **Kuala Lumpur**, the dynamic capital of **Malaysia**, is an ideal destination for the **4th International Conference on Neuroscience and Mental Health**. This energetic city seamlessly blends tradition and innovation, offering delegates a unique cultural and intellectual experience. Its diverse academic institutions and healthcare research centers reflect the city's commitment to advancement in neuroscience and mental health.

Kuala Lumpur, is famed for its iconic Petronas Twin Towers, gleaming skyscrapers, and lush tropical parks. It is a place where modern infrastructure meets rich cultural heritage, offering visitors everything from bustling markets and historic temples to state-of-the-art conference facilities and luxurious accommodations.

Beyond the conference, attendees can explore the city's vibrant street food scene, stunning architecture, and nearby natural attractions like Batu Caves and Genting Highlands. Kuala Lumpur offers a multicultural experience that is both educational and unforgettable... [\(click here for more\)](#)

TOP REASONS TO PARTICIPATE

- Develop Your Network
- Position Yourself as an Expert
- Meet Experts & Influencers Face to Face
- Gain Targeted Knowledge
- New Tips & Tactics
- Invest In Yourself
- Gain New Collaborations
- Present your Ideas and Work
- Be Inspired
- Travel, Explore and Have Fun!!

Past Event Report

About Past Event:

Our **3rd International Conference on Neuroscience and Mental Health**, held on **May 15–16, 2025**, at the **City Seasons Suites Hotel, Dubai, UAE** and **3rd International Webinar on Neuroscience and Mental Health**, held on **May 29-30, 2025 (GMT+4)**, under the theme “*Innovations and Global Perspectives in Neuroscience and Mental Health*,” was a tremendous success. The event featured inspiring keynote speeches, cutting-edge research presentations, interactive panel discussions, and poster sessions across key themes in neuroscience, neurology, psychiatry, and mental health.

We extend our heartfelt thanks to the Organizing Committee, the abstract reviewers for their careful selection process, the speakers for their valuable insights, and all delegates for their active engagement. We also deeply appreciate the moderators and session chairs for ensuring the smooth flow of the conference.
