

**Pathway Scholars Program
Master of Medical Studies
Academic Year 2025-26**

Master of Medical Studies		Date		Week																																																																						
		7/7/2025	7/14/2025	7/21/2025	7/28/2025	8/4/2025	8/11/2025	8/18/2025	8/25/2025	9/1/2025	9/8/2025	9/15/2025	9/22/2025	9/29/2025	10/6/2025	10/13/2025	10/20/2025	10/27/2025	11/3/2025	11/10/2025	11/17/2025	11/24/2025	12/1/2025	12/8/2025	12/15/2025	12/22/2025	12/29/2025	1/5/2026	1/12/2026	1/19/2026	1/26/2026	2/2/2026	2/9/2026	2/16/2026	2/23/2026	3/2/2026	3/9/2026	3/16/2026	3/23/2026	3/30/2026	4/6/2026	4/13/2026	4/20/2026	4/27/2026	5/4/2026	5/11/2026																												
Blocks & Courses		1	2	3	4	5	6	7	8	9	10	11	Break 1											12	13	14	15	16	17	18	19	20	21	22	23	Break 2											24	25	26	27	28	29	30	31	32	33	34	Break 3											35	36	37	38	39	40
				Principles of Molecular Basis of Life and Disease I (PMBLD I)				PMBLD II								Clinical Practicum I (CP I)																						Clinical Anatomy & Physiology (OS C)				Principles of Cardiovascular-Hematology						Clinical Practicum II																										
		Medical Science Applications (OSA)				Medical Science Applications (OSA)								Principles of Clinical Neuroscience (OS B)																																Clinical Anatomy & Physiology (OS C)																												
		Intro to Medical Studies (IMS)						MRSP I								Master's Report A (MRSP I)																						Master's Report B (MRSP II)										Master's Report B																										
								LLE I								Leadership, Learning, & Ethics I (LLE I)																						Leadership, Learning, & Ethics II (LLE II)										Leadership, Learning, & Ethics II																										
								PCIM I								Principles of Communication in Medicine I (PCIM I)																						Principles of Communication in Medicine II (PCIM II)
