Why Our Program?

Unmatched Clinical Breadth

Gastroenterology, hepatology, transplant, motility, biliary disease & advanced endoscopy — all under one program umbrella.

Strong Mentorship

Dedicated faculty invested in your growth — clinically, academically, and personally — every step of the way.

Early Scope Time

Hands-on endoscopy training from day one, giving you a head start on technical skills that define your career.

Research & Scholarship

Dedicated research rotations and scholarly activity to build a competitive, publication-ready academic portfolio.

Diverse Patient Population

Train across two distinct sites with a rich, diverse range of complex GI cases that sharpen your diagnostic acuity.

Launch Any Career

Graduates thrive across academic medicine AND private practice — our training opens every door.
