

# Sleep Medicine Fellowship

Original ACGME accreditation date: 09/27/2019

Program Director Name (Year appointed)

Joyce K. Lee-Iannotti, MD (2019)

ACGME Current Approved Complement

2

Accreditation Status

Initial Accreditation

Length of Training

1 year

## Accomplishments

- ▶ Successful launch of ACGME accredited sleep fellowship with two positions in partnership with Banner—University Medical Center Phoenix and the Phoenix VA Health Care
- ▶ Successful start to interviewing fellows with more than 40 candidates for a brand new fellowship (other fellowships 10+ years since conception have had approximately 55 applicants), with formulation of a UArizona College of Medicine—Phoenix Sleep Medicine Fellowship website and a video for virtual fellowship interviews
- ▶ Completion of a solid curriculum and recruitment of five core faculty and eight additional adjunct faculty of multiple disciplines across diverse institutions

## Strengths

1. Diverse and multi-disciplinary faculty, reflective of the field of sleep medicine: neurology, pulmonary/critical care medicine, internal medicine, pediatrics
2. Education-focused faculty, committed and passionate about fellow teaching and education
3. Diverse and complex patient population with various sleep disorders
4. Cutting edge technology in sleep study platforms and ability to perform advanced sleep studies
5. Smaller program with closer faculty supervision
