

Hello Residents! Welcome to the AHA ACLS Initial Class!

Please review the following information about your ACLS initial class as part of your first week with Banner Health. Be sure to read ALL steps required for successful completion.

This class contains 2 major parts, pre-course work and in-person skills w/ BLS renewal.

1) Pre-course work: COMPLETE prior to #2 below

- Review additional attachments for study tools, eBook access, review questions.
- **All learners must complete the online AHA ACLS E-learning module**
 - ✓ Click Here → <https://elearning.heart.org/course/424> - this is a FREE course!
 - ✓ Learners will set up an account (you can use any email you want – we do not access)
 - ✓ Complete ALL sections of the module – **pre-course self-assessment AND videos (plan 2-3 hours)**
 - ✓ Complete survey
 - ✓ Download/screenshot/print your **certificate** that shows your name and that you have completed the self-assessment AND video lessons – you will need to show on June 15 upon sign in for your session!
 - ✓ **Learners will NOT be able to stay for their skills we cannot verify completion of BOTH sections of this module. Please let us know in advance if you are having trouble.**

2) In-Person skills: June 15 You will be assigned either an AM or PM session to attend.

- You must bring your certificate of completion – this could be a screenshot
- Complete the review questions for review during class before ACLS stations
- Location: Banner University Medical Center - Phoenix– specific ROOMS will be assigned
- BLS and ACLS Skills and written exam testing completed during the session

Upon successful completion, each learner will be sent 2 links from the American Heart Website to your Banner email. One with your ACLS and one for BLS.

You need to click on these links to ‘claim’ your e-cards. After claiming your e-cards, please ensure you check with your resident coordinator on how to either upload or send them to the most appropriate person for documentation in your employee file.

For any questions, please email Tabitha.Grass@bannerhealth.com.

We look forward to seeing you in a few weeks!!

Tabitha Grass, MSN-Ed., RN
RN Clinical Education Director
