3:00 p.m. Research Resources Open House Zoom Webinar Starts

3:00 p.m. – 3:05 p.m. Welcoming Remarks
Paul Boehmer, PhD, Interim Associate Dean for Research at the University of Arizona College of Medicine – Phoenix

3:05 p.m. – 3:15 p.m. College of Medicine – Phoenix Research Office
Chris Glembotski, PhD, Associate Dean for Research at the University of Arizona College of Medicine – Phoenix

3:15 p.m. – 3:30 p.m. Research, Innovation and Impact
Betsy Cantwell, PhD, MBA, Senior Vice President for Research & Innovation at the University of Arizona

3:30 p.m. – 3:45 p.m. Research, Innovation and Impact
Sangita Pawar, PhD, MBA, Vice President for Research Operations at the University of Arizona

3:45 p.m. – 4:00 p.m. College of Medicine – Phoenix
Guy Reed, MD, MS, Dean of the University of Arizona College of Medicine – Phoenix

4:00 p.m. Resources & Attendees Transition into Breakout Sessions in Individual Zoom Meeting Rooms
4:00 p.m. – 4:30 p.m.  **1st Breakout Session – Live Q&A with Research Resources**

View breakout session summaries on the following pages.

- College of Medicine – Phoenix Research Support
- Expanding the Impact of Research: Commercialization & Startups
- Finding Research Funding
- Involving Students in Research
- Laboratory Safety Compliance
- Research Administration
- Research Compliance
- Research Cores

4:30 p.m. – 5:00 p.m.  **2nd Breakout Session – Live Q&A with Research Resources**

View breakout session summaries on the following pages.

- College of Medicine – Phoenix Research Support
- Expanding the Impact of Research: Commercialization & Startups
- Finding Research Funding
- Involving Students in Research
- Laboratory Safety Compliance
- Research Administration
- Research Compliance
- Research Cores

5:00 p.m.  **Research Resources Open House Concludes**
Breakout Sessions – Live Q&A with Research Resources

Select two of the following eight breakout sessions to attend. Each breakout session will feature UArizona Research Resources. The 30-minute sessions will be held between 4:00 p.m. – 4:30 p.m. and repeated between 4:30 p.m. – 5:00 p.m. Attendees will be able to engage in live Q&A. Please come with questions!

- **College of Medicine – Phoenix Research Support**
  Join this session to learn how your colleagues in Phoenix can guide you with clinical trial research, applying statistical reasoning and methods to research, and funding collaborative grants from our partner institutions.
  - Biostatistics and Study Design
  - Clinical Research Support Services (CReSS)
  - Laboratory Operations
  - University of Arizona Health Science Library at the Phoenix Biomedical Campus
  - Valley Research Partnership (VRP)

- **Expanding the Impact of Research: Commercialization & Startups**
  This session is for researchers who have an entrepreneurial interest in applying for patents, creating startup companies based on their university research, and collaborating with industry partners.
  - Research Development Services - Corporate Engagement
  - Tech Launch Arizona

- **Finding Research Funding**
  Join this session to learn about funding opportunities, forming effective teams, and crafting winning proposals.
  - Research Development Services
  - Research Grant Proposal Development & Medical Writing

- **Involving Students in Research**
  Join this session to help you understand how you can involve Phoenix medical students and graduate students in your research. Attend to meet your colleagues who connect students with mentors and research opportunities.
  - Graduate Training Office
  - Scholarly Project Program
  - Research Office for Medical Education (ROME)
• **Laboratory Safety Compliance**
  This session is for people who conduct research with human and animal subjects in the life sciences, biomedical fields, and social and behavioral sciences. Attend to meet your colleagues who can help you operate safely and effectively.
  
  - Conflict of Interest Program
  - Institutional Animal Care and Use Committee (IACUC)
  - Research Laboratory & Safety Services (RLSS)
  - University Animal Care (UAC)

• **Research Administration**
  Come meet your colleagues who can help you navigate grant administration requirements.
  
  - Sponsored Projects & Contracting Services, Post Award (SPCS)
  - Sponsored Projects & Contracting Services, Pre-Award (SPCS)
  - UAHS Pre-Award & Clinical Trials

• **Research Compliance**
  Meet the various compliance units that support research excellence at UArizona through the adoption of policies and procedures that promote safe, legal and ethical conduct of research.
  
  - Conflict of Interest Program
  - Export Control Program
  - Research Ethics & Quality REQ (HIPAA, HSPP, ESCRO, Research Quality Assurance)
  - Research Integrity Office (RIO)
  - Responsible Conduct of Research Program (RCR)

• **Research Cores**
  This session will help you understand the core facilities and learn about the equipment and trainings offered by the different cores. Attend to meet the Directors of the Core Facilities in Phoenix and Tucson.
  
  - Phoenix Core Facilities
    - Biomedical Imaging Core
    - Flow Cytometry Core
    - Molecular Discovery Core
  - Tucson Core Facilities
    - Analytical & Biological Mass Spectrometry Facility
    - Functional Genomics Core
    - Genetics Core
- Imaging Cores, Life Sciences North - Optical & Electron Microscopy
- Imaging Cores, Marley Light Microscopy Facility
- Research, Innovation & Impact Core Facilities
- Translational Bioimaging Resource
