COMMITTEES

Admissions Committee (3-year term)

There will be twenty-two (22) members of the Admissions Committee, consisting of sixteen (16) faculty, three (3) students, and three (3) at-large non-faculty members. Ex-officio members: The Dean of Admissions will serve as an ex-officio member of the committee. The Admissions Committee will be responsible for considering recommendations of subcommittees, reviewing and final selection of applicants for admission to the MD, MD/PhD and Pathway Scholars Program at the College of Medicine – Phoenix.

Dr. Glen Fogerty, Associate Dean, Admissions and Recruitment, requests that members of the Admissions Committee are not listed within this report. The appeal for anonymity for the members of the Admissions Committee is based on ensuring the ability of the committee to make holistic and fair reviews of candidates while limiting the potential for outside influence and pressure. If anyone has questions about the make-up of the Admissions Committee, they are welcome to connect with Dean Fogerty at fogerty@arizona.edu or 602-827-2201.

Appointment, Promotions, & and Tenure Committee (3-year term)

There will be nine (9) faculty members at the rank of professor, at least three who currently hold tenure status. Ad hoc members may be invited by the committee as outlined in the charter. This committee will review and advise the Dean regarding each proposed faculty appointment, promotion and tenure award above the level of assistant professor. Other related duties may be assigned by the Dean.

Honors and Awards Committee (3-year term)

The council will consist of six (6) members consisting of five (5) faculty and one (1) student. Ad hoc voting student members (4 student members, one from each class) may be invited by the chair as appropriate. The Honors and Awards Committee is a standing committee of the College that is responsible for maintaining an inventory of honors and awards at the College, focusing primarily on faculty awards. The committee will advise the Dean on addition and/or removal of awards offered at the college. It will also review external requests from AAMC and other organizations for nominees. Nominees for external requests will commonly be submitted by a Department or Center. When only one nominee can be submitted by the College, the Honors & Awards committee will review the nominees (if more than one) and supporting documents in order to provide a recommendation to the Dean.

Research Senate Committee (3-year term)

The Committee shall consist of ten (10) faculty members who should have a demonstrated record of research productivity as well as representation from as many strategic partners as possible (e.g., Banner – University Medical Center Phoenix (B-UMCP), Phoenix VA Health Care System, Phoenix Children’s Hospital (PCH). In addition to these ten faculty members, the committee will include two (2) voting standing members, e.g., the director of scholarly projects and the director of graduate training programs, and one (1) voting chair. The associate dean from finance will serve as a non-voting ex-officio member. The Director of Operations, Research and Senior Director of Clinical Research Operations will serve as non-voting, ad hoc members of the committee. The chair may appoint subcommittees and additional ad hoc members, as needed. The Research Senate Committee advises the Dean on matters related to the research mission of the College. As such the committee can recommend: 1) initiatives that increase and improve the effectiveness of basic, translational and clinical research and training, including strategic programs and infrastructure; 2) plans that increase community awareness of biomedical research initiatives that impact on healthcare and 3) educational, public relations, advocacy and fundraising opportunities for research.

Student Progress Committee (4-year term)

There will be twelve (12) members consisting of eight (8) faculty members and four (4) student members (one student from each class). No member of the Student Progress Committee may serve simultaneously on the Student Appeals Committee. Due to conflict of interest policies, directors of blocks, courses and clerkships may not serve on this committee. The Associate Dean for Student Affairs will serve as a non-voting ex-officio member of the committee. The Student Progress Committee will have jurisdiction to consider all cases of unsatisfactory academic or non-academic performance, including discipline. The committee will have broad discretion to address issues related to a student's academic progress and disciplinary matters and to formulate plans for progression and discipline in a manner consistent with College policy. The committee will also certify that students have met the criteria for promotion to the next academic level and have met the criteria for graduation and receipt of the MD degree. The committee will serve as the appeals committee when a student seeks a review of a decision by the Associate Dean for Student Affairs or the Senior Associate Dean of Undergraduate Medical Education regarding the student's qualification for automatic dismissal and for grade appeals.
