

University of Arizona College of Medicine - Phoenix Potentially Eligible Investigators – Valley Research Partnership

Faculty	Degree	Current Rank	Research Interests or Department
<u>Al-Qaisi, Mohanad</u>	MD	Clinical Assistant Professor	Internal Medicine
<u>Al-Yaqoobi, Ali</u>	MD	Clinical Assistant Professor	Internal Medicine
<u>Al-Yaqoobi, Ali</u>	PhD	Research Assistant Professor	Internal Medicine
<u>Anderson, Trent</u>	PhD	Associate Professor	Cancer; neuro-degenerative, developmental and psychiatric disease; developmental, cell and molecular biology; signaling and steroid biology
<u>Bailey, Joan</u>	MD	Clinical Associate Professor	Internal Medicine
<u>Baldemor, Deborah</u>	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
<u>Barcellona, Dawn</u>	MD	Clinical Assistant Professor	Child Health
<u>Bayless, Patricia</u>	MD	Clinical Assistant Professor	Emergency Medicine
<u>Bell, Marvin</u>	MD	Clinical Professor	Family Community & Preventive Medicine
<u>Bendheim, Paul</u>	MD	Clinical Professor	Neurology
<u>Berkowitz, Jared</u>	MD	Clinical Assistant Professor	Internal Medicine
<u>Bernstein, Scott</u>	MD	Clinical Assistant Professor	Internal Medicine
<u>Beyda, David</u>	MD	Professor	Bioethics Med Humanism
<u>Bickford, David</u>	MSLS	Assistant Professor of Practice	Biomedical Informatics
<u>Blackburn, Paul</u>	DO	Clinical Associate Professor	Emergency Medicine
<u>Boehmer, Paul</u>	PhD	Professor	Cancer; infectious disease; developmental, cell and molecular biology; gene environment interactions and epigenetics; host-microbe interactions and immunology; platform development, medical devices and procedures
<u>Brite, Kathleen</u>	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
<u>Bryer-Ash, Michael</u>	MD	Professor	Division of Endocrinology
<u>Campagnolo, Denise</u>	MD	Professor	Neurology
<u>Cance, William</u>	MD	Professor	Interdisciplinary Oncology
<u>Carlson, Kathleen</u>	MLS	Assistant Professor of Practice	Bioethics Med Humanism
<u>Carrillo, Lori</u>	MD	Clinical Assistant Professor	Obstetrics & Gynecology
<u>Cartsonis, Jonathan</u>	MD	Associate Professor	Family Community & Preventive Medicine
<u>Castro , Maria</u>	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
<u>Conway, Mandi</u>	MD	Clinical Professor	Specialist in macular degeneration, diabetic retinopathy, inflammatory eye diseases, retinal detachment and retinal surgery
<u>Dahiya, Neha</u>	MD, MBA	Clinical Assistant Professor	Pathology
<u>Desai, Sarika</u>	DO	Clinical Assistant Professor	Internal Medicine
<u>Doehrman, Douglas</u>	MD	Clinical Assistant Professor	Emergency Medicine
<u>Dolan, William</u>	MD	Clinical Associate Professor	Surgery
<u>Fallon, Michael</u>	MD	Professor	Internal Medicine
<u>Fani Marvasti, Shad</u>	MD	Clinical Associate Professor	Family Community & Preventive Medicine

University of Arizona College of Medicine - Phoenix Potentially Eligible Investigators – Valley Research Partnership

Federico, Guadalupe	PhD	Assistant Professor	Internal Medicine
Ferguson, Deveroux	PhD	Assistant Professor	Depression, addiction, epigenetics, mood disorders and molecular genetics
Fischione, Mark	MD	Associate Professor	Pathology
Fisher, Rebecca	PhD	Associate Professor	Anatomy, development, imaging, musculoskeletal disease, medical education
Fogerty, Glen	PhD	Assistant Professor	Bioethics Med Humanism
Foley, Michael	MD	Professor	Obstetrics & Gynecology
Gallitano-Mendel, Amelia	MD, PhD	Associate Professor	Neuro-degenerative, developmental and psychiatric disease; developmental, cell and molecular biology; gene environment interactions and epigenetics; signaling and steroid biology
Gallo, Tyler	PharmD	Assistant Professor	Internal Medicine
Gaona, Jesselyn	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
Garcia, Barbara	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
Garcia-Filion, Pamela	PhD	Research Associate Professor	Biomedical Informatics
Garofalo, Evan	PhD	Assistant Professor	Basic Medical Sciences
Gladysheva, Inna	PhD	Professor	Internal Medicine
Glowacka, Halszka	PhD	Assistant Professor	Basic Medical Sciences
Gonzales, Rayna	PhD	Associate Professor	Cerebrovascular physiology; sex steroids and vascular function; brain injury (ischemia, hypoxia, TBI); vascular inflammation
Grau, Rafael	MD	Faculty Physician, BUMC-P	Internal Medicine
Graves, Stanley	MD	Clinical Assistant Professor	Orthopedics
Gu, Jian	PhD	Associate Professor	Platform development, medical devices and procedures
Guha, Sushovan	MD, PhD	Professor	Internal Medicine
Gulati, Martha	MD	Professor	Internal Medicine
Gustin, Kurt	PhD	Associate Professor	Bone, skin and mucosal disease; infectious disease; developmental, cell and molecular biology; host-microbe interactions and immunology
Guttman, David	MD	Clinical Assistant Professor	Emergency Medicine
Hale, Taben	PhD	Associate Professor	Cancer; cardiovascular disease and stroke; diseases of development and aging; cardiac and vascular biology
Hamidi, Syma	MD	Clinical Assistant Professor	Internal Medicine
Hammer Jr., Ronald	PhD	Professor	Neuro-degenerative, developmental and psychiatric disease; developmental, cell and molecular biology; gene environment interactions and epigenetics; signaling and steroid biology
Handa, Robert	PhD	Professor	Basic Medical Sciences
Harper, Oliver	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
Hartmark-Hill, Jennifer	MD	Assistant Professor	Preventive medicine, curriculum development, simulation, medical humanities, narrative medicine

University of Arizona College of Medicine - Phoenix Potentially Eligible Investigators – Valley Research Partnership

<u>Hastings, Karen</u>	MD	Associate Professor	Autoimmune and inflammatory disease; bone, skin and mucosal disease; cancer; host-microbe interactions and immunology
<u>Heath, Adam</u>	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
<u>Heise, Will</u>	MD	Assistant Professor	Family Community & Preventive Medicine
<u>Herbst-Kralovetz, Melissa</u>	PhD	Associate Professor	Host-microbe interactions and immunology; infectious disease; developmental, cell and molecular biology; bone, skin and mucosal disease; cancer; autoimmune and inflammatory disease; platform development, medical devices and procedures.
<u>Hess, Ivia</u>	MD	Clinical Assistant Professor	Child Health
<u>Hogan, Peter</u>	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
<u>Hougeir, Serge</u>	MD	Clinical Assistant Professor	Emergency Medicine
<u>Jose-Miller, Alaina</u>	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
<u>Kaib, Susan</u>	MD	Associate Professor	Family Community & Preventive Medicine
<u>Kala, Mrinalini</u>	PhD	Research Assistant Professor	Flow Cytometry and immunology
<u>Kearney, John</u>	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
<u>Kim, Sue</u>	PhD	Associate Professor	Cancer; diseases of development and aging; developmental, cell and molecular biology; gene environment interactions and epigenetics; signaling and steroid biology
<u>Knox, Kenneth</u>	MD	Professor	Internal Medicine
<u>Kohlhepp, Elizabeth</u>	MD	Clinical Assistant Professor	Psychiatry
<u>Kravetz, Robert</u>	MD	Clinical Professor	Bioethics Med Humanism
<u>Kurland, Adrienne</u>	MD	Clinical Assistant Professor	Internal Medicine
<u>Lacombe, Jerome</u>	PhD	Research Assistant Professor	Basic Medical Sciences
<u>Lane, Kristin</u>	DO	Clinical Assistant Professor	Internal Medicine
<u>Lee, Alice</u>	MD	Clinical Assistant Professor	Emergency Medicine
<u>Lee, Won</u>	PhD	Assistant Professor	Basic Medical Sciences
<u>Leibowitz, Alan</u>	MD	Professor	Internal Medicine
<u>Lieberman, Steven</u>	MD	Professor	Internal Medicine
<u>Luba, Kelly</u>	DO	Clinical Assistant Professor	Family Community & Preventive Medicine
<u>Lucio, Francisco</u>	JD	Assistant Professor of Practice	Medicine Administration
<u>Ludwig, Amy</u>	MEd	Assistant Professor of Practice	Medicine Administration
<u>Manriquez-Sanchez, Maria</u>	MD	Professor	Obstetrics & Gynecology
<u>Marlow, Robert</u>	MD	Professor	Family Community & Preventive Medicine
<u>Marlowe, Timothy</u>	PhD	Research Assistant Professor	Interdisciplinary Oncology
<u>Maurer, Janet</u>	MD	Clinical Professor	Internal Medicine
<u>McClellan, Lisa</u>	MD	Clinical Associate Professor	Family Community & Preventive Medicine

University of Arizona College of Medicine - Phoenix Potentially Eligible Investigators – Valley Research Partnership

McDonald, Fred	DO	Clinical Assistant Professor	Child Health
McEchron, Matthew	PhD	Professor	Student Scholarly Projects
McKee, Michael	MD	Professor	Orthopedics
McLoone, James	MD	Professor	Psychiatry
Mercer, Laura	MD	Clinical Assistant Professor	Obstetrics & Gynecology
Mesaros, Marie	MD	Clinical Assistant Professor	Anesthesiology
Milas, Mira	MD	Professor	Surgery
Miles, Casey	MD	Clinical Assistant Professor	Child Health
Moffitt, Marci	MD	Professor	Internal Medicine
Mohty, May	MD	Clinical Associate Professor	Child Health
Munir, Seema	DO	Clinical Assistant Professor	Family Community & Preventive Medicine
Naranjo, Tammie	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
Nelson, Erin	PsyD	Associate Professor	Psychiatry
Nelson, Linda	MD, PhD	Professor	Obstetrics & Gynecology
Niggemann, Elaine	MD	Associate Professor	Internal Medicine
Nikulina, Ella	PhD	Associate Professor	Brain neurocircuitry in substance abuse related behavior; social stress; developmental and psychiatric diseases; neurotrophins and receptors; social behavior; psychostimulants; opioid receptors, gene expression
Nourani, Cameron	MD	Clinical Assistant Professor	Emergency Medicine
O'Neill, Matthew	PhD	Research Assistant Professor	Musculoskeletal function, human locomotion and evolution
Patel, Palak	MD	Clinical Assistant Professor	Anesthesiology
Patton, Douglas	MD	Clinical Assistant Professor	Emergency Medicine
Pearl, Jeffrey	MD	Clinical Professor	Child Health
Perrin, Edward	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
Qiu, Shenfeng	MD	Associate Professor	Neurodevelopmental disorders, autism, schizophrenia, stress, neural circuits, synaptogenesis, plasticity, electrophysiology, mouse models
Raschke, Robert	MD	Clinical Professor	Internal Medicine
Reed, Guy	MD, MS	Professor	Internal Medicine
Reinfeld, Allan	MD	Clinical Assistant Professor	Internal Medicine
Roberts, Fran	PhD	Clinical Professor	Family Community & Preventive Medicine
Rutkowski, Richard	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
Saleem, Sofiyan	PhD	Assistant Professor	Internal Medicine
Saririan, Shahrzad	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
Saubolle, Michael	PhD	Clinical Associate Professor	Internal Medicine
Schneider, Philip	MS	Professor of Practice	Biomedical Informatics
Seby, Mike	MD	Clinical Assistant Professor	Family Community & Preventive Medicine

University of Arizona College of Medicine - Phoenix Potentially Eligible Investigators – Valley Research Partnership

Sell, Miriam	MD	Assistant Professor	Internal Medicine
Sertil, Aparna	PhD	Assistant Professor	Cancer, oral squamous carcinoma and osteosarcoma; developmental, cell and molecular biology; Epigenetics, ER stress signaling, tumor microenvironment, hypoxia; cancer stem cells, therapy resistance
Shah-Patel, Lisa	MD	Clinical Assistant Professor	Radiology
Sharma, Shalini	PhD	Assistant Professor	Cancer; diseases of development and aging; developmental, cell and molecular biology; gene environment interactions and epigenetics
Shea, Kimberly	PhD	Assistant Professor of Practice	Biomedical Informatics
Shub, Mitchell	MD	Professor	Mechanisms of congenital diarrhea
Sidhu, Aurbinderdeep	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
Silverman, Howard	MD	Professor	Biomedical Informatics
Solem, Casey	MD	Clinical Assistant Professor	Emergency Medicine
Solem, Mark	MD	Clinical Assistant Professor	Emergency Medicine
Sollenberger, John	DO	Clinical Assistant Professor	Physical Medicine & Rehabilitation
Standley, Cynthia	PhD	Professor	Cardiovascular disease and stroke; cardiac and vascular biology; medical education
Standley, Paul	PhD	Professor	Biomechanical regulation of gene expression; muscle repair and regeneration; manual medicine techniques; bioengineered tissues; strain regulation of extra cellular matrix
Steinmetz, Paul	MD	Clinical Assistant Professor	Internal Medicine
Stone, Jr., Rick	MD	Clinical Associate Professor	Family Community & Preventive Medicine
Sullivan, Ryan	DVM	Assistant Professor	Internal Medicine
Tabarsi, Baharak	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
Thomson, Brendan	MD	Clinical Assistant Professor	Internal Medicine
Titelbaum, Anne	PhD	Assistant Professor	Basic Medical Sciences
Touch-Mercer, Gina	PhD	Clinical Assistant Professor	Family Community & Preventive Medicine
Umar, Alp	MD	Clinical Assistant Professor	Internal Medicine
Valdez, Riccardo	MD	Clinical Associate Professor	Pathology
vanSonnenberg, Eric	MD	Clinical Professor	Radiology
Wang, Dong	MD, PhD	Assistant Professor	Internal Medicine
Wang, Ting	PhD	Associate Professor	Internal Medicine
Watkins, Jimmie	MD	Clinical Assistant Professor	Anesthesiology
Wei, Jing	PhD	Research Assistant Professor	Basic Medical Sciences
Whitfield, G.	PhD	Assistant Professor	Basic Medical Sciences
Williams-Vaughn, Imani	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
Wilson, Deidre	DO	Clinical Instructor	Internal Medicine

University of Arizona College of Medicine - Phoenix Potentially Eligible Investigators – Valley Research Partnership

<u>Wolfrey, Jeffrey</u>	MD	Professor	Family Community & Preventive Medicine
<u>Wong, Andrew</u>	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
<u>Woosley, Raymond</u>	MD	Professor	Internal Medicine
<u>Yanez, Lisa</u>	EdD	Assistant Professor	Medicine Administration
<u>Zack, Shawn</u>	PhD	Assistant Professor	Evolution of vertebrate morphology
<u>Zaragoza Lao, Emily</u>	MD	Clinical Assistant Professor	Family Community & Preventive Medicine
<u>Zein-Hammoud, Manal</u>	PhD	Clinical Assistant Professor	Internal Medicine
<u>Zenhausern, Frederic</u>	PhD	Professor	Platform development, medical devices and procedures
