

**Valleywise Health - Potentially Eligible Investigators – Valley Research Partnership**

<b>MIHS Investigator</b>	<b>Research Interests</b>
<a href="#"><u>Alexander, Gretchen</u></a> Attending Psychiatrist, Psychiatry 602-344-5121	Computerized order entry medication errors, foreign body ingestion cases
<a href="#"><u>Ali, Erum</u></a> Associate Program Director, Child Psychiatry 480-344-2223	Parenting Stress Index research at Southwest
<a href="#"><u>Attias, Naftaly</u></a> Chair, Orthopedics 602-344-1307	Repair of bone defects, psychiatric co-morbidity in the orthopedic patient
<a href="#"><u>Barkley, Joel</u></a> Attending Physician 602-753-9299	Ultrasound imaging in OB/GYN
<a href="#"><u>Bhattarai, Bikash</u></a> Research Biostatistician	Epidemiology, zoonoses, infectious diseases, global health and survey methods
<a href="#"><u>Bayless, Patricia</u></a> Attending, Faculty Mentor for MS4 Scholarly Project 602-344-5418	Prenatal care and Emergency Department use, biomedical ethics
<a href="#"><u>Bogert, James</u></a> Trauma Critical Care 602-344-5624	Surgical intervention in bowel obstruction
<a href="#"><u>Boskailo, Esad</u></a> Attending Psychiatrist, Associate Director Psychiatry Residency Program 602-344-5813	Multiple antipsychotic readmission rate
<a href="#"><u>Bradstock, Michael</u></a> Anesthesiologist 623-322-9799	Transesophageal cardiography (TEE)
<a href="#"><u>Brown, J. Morgan</u></a> Biobank Director, Pathologist 602-344-5172	Biobank Director, human specimen collection

### Valleywise Health - Potentially Eligible Investigators – Valley Research Partnership

<p><a href="#"><u>Chuang, Keng-Yu</u></a> Gastroenterologist 602-344-5027</p>	<p>Celiac disease, communication during endoscopic procedures, H. Pylori, advanced endoscopy in small bowel and pancreaticobiliary tracts, endoscopic foreign body removal, development and optimization in endoscopic technologies</p>
<p><a href="#"><u>Chandler, Justin</u></a> Trauma Surgeon 602-344-5624</p>	<p>Trauma related studies</p>
<p><a href="#"><u>Coburn, Lisa</u></a> Associate Program Director, Child Psychiatry 480-344-2026</p>	<p>Therapy observation rating, narrative medicine approach to cultural competency</p>
<p><a href="#"><u>Connell, Mary</u></a> Associate Professor of Radiology, Radiology Clerkship Director, University of Arizona College of Medicine 602-344-1516</p>	<p>Abdominal/Pelvic CT and Ultrasound, Ovarian torsion, Transabdominal pelvic ultrasound in women, ultrasound in necrotizing enterocolitis, radiation exposure in pediatric patients and trauma patients, Pediatric Tuberculosis, Hepatic Steatosis (fatty liver), metabolic syndrome</p>
<p><a href="#"><u>Coonrod, Dean</u></a> Chair, Professor, Department of OB/GYN, MIHS Director 602-344-5119</p>	<p>Perinatal epidemiology, health disparities, health literacy, health services research, maternal mortality, preconception care, intimate partner violence</p>
<p><a href="#"><u>Davis, Karole</u></a> Trauma Surgery / SICU / General Surgery 602-344-5624</p>	<p>Studies related to the care of the trauma patient, critically ill surgical patient, general surgery and residency program</p>
<p><a href="#"><u>DeGuzman, Jose</u></a> Chief, Urology 602-344-5608</p>	<p>Urinary tract fistulas, testicular germ cell tumors</p>
<p><a href="#"><u>Del Prado, Paul</u></a> General Surgery 602-344-5611</p>	<p>Care of the general surgery patient</p>
<p><a href="#"><u>Dixon, Robert</u></a> General Surgery 602-344-5611</p>	<p>Care of the general surgery patient, open abdomens</p>
<p><a href="#"><u>Feiz-Erfan, Iman</u></a> Neurosurgery 602-344-5056</p>	<p>Epidural hematomas, correlation of CNS findings in HIV/AIDS, cervical spine injury and trauma, management of skull base fractures, cranioplasty, clivus fractures, brain tissue oxygen tension, advanced stage pressure ulcers, ommaya reservoir related bleeding</p>
<p><a href="#"><u>Ferguson, Elizabeth</u></a> Plastics / Residency</p>	<p>Residency training programs</p>

**Valleywise Health - Potentially Eligible Investigators – Valley Research Partnership**

<p><a href="#"><u>Foster, Kevin</u></a>  <b>Director, Arizona Burn Center</b>  <b>602-344-5624</b></p>	<p>Various Burn clinical trials and burn academic studies, burn outpatient management, burn sequelae grading scale, burn patient fears, antibiotic usage in burn patients, DVT in burn patients, burn scars, Inhalation injury scoring system, inhalation injury, adrenal insufficiency in burn patients, adipose derived regenerative tissue, donor site dressing, skin grafting, pediatric trauma</p>
<p><a href="#"><u>Geren, Kara</u></a>  <b>Attending</b>  <b>602-344-5418</b></p>	<p>Public health, HIV, health literacy domestic violence</p>
<p><a href="#"><u>Goldberg, Ross</u></a>  <b>General Surgery</b>  <b>602-344-5611</b></p>	<p>Cholecystitis, positive intraoperative cholangiogram</p>
<p><a href="#"><u>Greenspan, David</u></a>  <b>Attending Physician</b>  <b>602-618-0536</b></p>	<p>Cervical cancer screening, vaginal infectious diseases</p>
<p><a href="#"><u>Gridley, Daniel</u></a>  <b>Chairman of Radiology</b>  <b>602-344-1516</b></p>	<p>Acute appendicitis – CT vs MRI protocol, cross sectional brain imaging utilization, correlation of CNS findings in HIV/AIDS, Breast Cancer Stratification System evaluation based on Gail and Mayo hybrid model including breast density</p>
<p><a href="#"><u>Habak, Patricia</u></a>  <b>Associate Residency Program Director</b>  <b>602-344-5017</b></p>	<p>Blood loss at time of labor and delivery, residency education</p>
<p><a href="#"><u>Hobohm, Dan</u></a>  <b>Clinical Chair, Pathology</b>  <b>602-344-5921</b></p>	<p>Human specimen collection, blood collection studies</p>
<p><a href="#"><u>Hoomayoon, Kaveh</u></a>  <b>Urologist</b>  <b>602-344-5624</b></p>	<p>Urinary tract fistulas, testicular germ cell tumors</p>
<p><a href="#"><u>Hollingworth, Alexzandra</u></a>  <b>Trauma Surgery / SICU</b>  <b>602-344-5624</b></p>	<p>Care of the trauma patient and critically ill surgical patient. Geriatrics, metabolic derangements</p>
<p><a href="#"><u>Jain, Arpana</u></a>  <b>Surgery</b>  <b>602-344-5624</b></p>	<p>Burn studies related to fluid resuscitation, infection/sepsis, wound care, laser therapy and general care of the burn survivor</p>
<p><a href="#"><u>Jamshidi, Ramin</u></a>  <b>Pediatric Surgery</b>  <b>602-933-0016</b></p>	<p>Care of the pediatric trauma patient</p>

### Valleywise Health - Potentially Eligible Investigators – Valley Research Partnership

<p><a href="#"><u>Johnson-Agbakwu, Crista</u></a>  <b>Founder and Director, Refugee Women’s Health Clinic, Obstetrics and Gynecology</b>  <b>602-344-5953</b></p>	<p>Refugee women's health, reproductive health disparities, health services/outcomes, women's sexual health, female genital mutilation, sexual and gender-based violence, health literacy, global health</p>
<p><a href="#"><u>Kassis, Christelle</u></a>  <b>Infectious Disease</b>  <b>602-344-1095</b></p>	<p>Infectious diseases, cocci</p>
<p><a href="#"><u>Khalsa, Ann</u></a>  <b>Medical Director, McDowell FHC</b>  <b>602-344-6565</b></p>	<p>HIV clinical trials, renal impairment in the HIV population, HPV-related anal dysplasia</p>
<p><a href="#"><u>Krog, Tara</u></a>  <b>Inpatient Psychology, Psychiatry</b>  <b>602-344-5982</b></p>	<p>Personality Disorders, psychological assessment, program evaluation</p>
<p><a href="#"><u>Kin Quan, Dany Kin</u></a>  <b>Emergency Medicine and Medical Toxicology</b>  <b>602-344-5418</b></p>	<p>Antivenom, drug therapy and interactions, antimicrobial resistance, antibiotic treatment</p>
<p><a href="#"><u>Komenka, Ian</u></a>  <b>General Surgery</b>  <b>602-344-5624</b></p>	<p>Breast related and breast cancer studies, idiopathic granulomatous mastitis, lymph node biopsy procedure, breast conserving operation predictors of surgical infections in breast operations, molecular genetics, biospecimen collection and banking, health literacy in surgical patients</p>
<p><a href="#"><u>Lardizabal, Marisse</u></a>  <b>Podiatry</b>  <b>602-344-5056</b></p>	<p>Care of the podiatry patient, diabetic foot ulcers</p>
<p><a href="#"><u>Lettieri, Salvatore</u></a>  <b>General Surgery</b>  <b>602-344-5611</b></p>	<p>Plastic surgery studies</p>
<p><a href="#"><u>Levitt, Gwen</u></a>  <b>Attending Physician, Psychiatry</b>  <b>602-344-5862</b></p>	<p>COVID-19 and behavioral health, ethno/racial perceptions of behavioral health; Weight gain in acute psychiatric inpatient setting, attitudes towards alcohol abstinence medication, mental health power of attorney and guardianship, military and combat related trauma</p>
<p><a href="#"><u>LoVecchio, Frank</u></a>  <b>Vice Chair</b>  <b>602-344-5418</b></p>	<p>Emergency Department safety, public health threats, influenza treatment, antibiotic treatment, DVT/PE, hypertension in acute intracerebral hemorrhage, community-acquired bacterial pneumonia, transabdominal pelvic ultrasound in women, pathogens in cerebrospinal fluid, uropathogen antimicrobial resistance, toxicology, drug toxicity, drug abuse, addiction medicine</p>
<p><a href="#"><u>Mannekote Thippaiah, Srinagesh</u></a>  <b>Attending Physician, Psychiatry</b>  <b>602-655-1342</b></p>	<p>Covid-19 co-morbid medical complications; Post-COVID Syndrome; syphilis and infectious diseases.</p>

**Valleywise Health - Potentially Eligible Investigators – Valley Research Partnership**

<p><a href="#"><u>Matthews, Marc</u></a>  <b>Burn</b>          602-344-5624</p>	<p>Parachute injuries (military), abuse vs non-abuse pediatric burn injuries, nutrition for the burn survivor, care of the patient with an open abdomen, necrotizing soft tissue infections</p>
<p><a href="#"><u>Matz, Samantha</u></a>  <b>Section Chief, Body Imaging</b>          602-344-1516</p>	<p>Acute appendicitis, CT vs MRI protocol</p>
<p><a href="#"><u>McMahon, Shawn</u></a>  <b>Attending Physician, Primary Care Outpatient Pediatrics</b>          602-344-5404</p>	<p>Primary care outpatient pediatrics, bilirubin phototherapy</p>
<p><a href="#"><u>Mitchell, Carl</u></a>  <b>Ultrasound Director</b>          602-344-5418</p>	<p>Abdominal/pelvic CT and Ultrasound, ovarian torsion</p>
<p><a href="#"><u>Nadir, Abdul</u></a>  <b>Division Chief, Gastroenterology</b>          602-344-5027</p>	<p>Celiac disease, Endoscopic Retrograde Cholangiopancreatogram, Hepatitis C virus, H. Pylori, serum autoantibodies</p>
<p><a href="#"><u>Onibokun, Adedayo</u></a>  <b>Attending Physician</b>          602-344-5451</p>	<p>Device studies on urinary incontinence, general gynecology, general obstetrics, urogynecology</p>
<p><a href="#"><u>Oppenheimer, Randy</u></a>  <b>ENT</b>          602-344-5624</p>	<p>Peritonsillar abscess and protocol</p>
<p><a href="#"><u>Ostovar, Amin</u></a>  <b>Attending Physician</b>          602-344-5404</p>	<p>Infectious diseases</p>
<p><a href="#"><u>Panchanathan, Sarada</u></a>  <b>Attending Physician</b>          602-344-5404</p>	<p>General ambulatory pediatrics, clinical informatics, and medical education</p>
<p><a href="#"><u>Peck, Michael</u></a>  <b>Burn</b>          602-344-5624</p>	<p>Blood transfusion practices in burn patients, fluid resuscitation, inhalation injury, wound care, care of the critically ill burn survivor</p>
<p><a href="#"><u>Pieri, Paola</u></a>  <b>Trauma/General Surgery/Surgical Critical Care Medicine</b>          602-344-5624</p>	<p>Anti-Xa range for DVT prophylaxis, novel oral anticoagulants, body imaging, ventilator-associated pneumonia, thoracostomy for traumatic hemopneumothorax, management of open abdomen, abdominal compartment syndrome</p>

### Valleywise Health - Potentially Eligible Investigators – Valley Research Partnership

<p><a href="#"><u>Porter, John</u></a> Physical Medicine and Rehab 602-344-5624</p>	<p>Management of septic arthritis, brachial plexus injuries in the burn population, pain and electrodiagnosis</p>
<p><a href="#"><u>Rastogi, Devna</u></a> Vice Chair, Department of Psychiatry, Attending Psychiatrist Psychiatry Residency Program Director 480-344-2050</p>	<p>Medical student survey for attitude towards seclusion and restraints</p>
<p><a href="#"><u>Ravi, Jyotsna</u></a> Division of Gastroenterology 602-344-5027</p>	<p>Celiac disease, communication during endoscopic procedures, H. Pylori</p>
