

## James Lindgren, MD, FAAP, FACP, FAEP

**Clinical Assistant Professor of Medicine**  
**Curriculum Co-Director, Center for Simulation and Innovation**  
**University of Arizona College of Medicine – Phoenix**

**Senior MedLink Physician**  
**Banner University Medical Center – Phoenix**

Dr. Jim Lindgren is Clinical Assistant Professor of Medicine and serves as Co-Director of the Curriculum Committee for the Center for Simulation and Innovation at the University of Arizona College of Medicine – Phoenix. He was awarded Simulation Instructor of the Year honors in 2019. He is board certified in Internal Medicine, Pediatrics, Emergency Medicine and Disaster Medicine. Dr. Lindgren also practices as Senior MedLink physician at Banner University Medical Center – Phoenix, where he answers in-flight emergency calls from the aviation and yachting industries. He was appointed to the American Board of Disaster Medicine in 2017 where he serves as a content expert.

Dr. Lindgren is founder and director of Window of Hope, a medical and humanitarian organization that has provided medical and disaster relief all over the world. He collaborates regularly with Convoy of Hope and has worked with the U.S. military, the World Health Organization, World Vision, Mercy Ships, Puresa Humanitarian and Operation Blessing Africa. He is passionate about helping those in need and working in partnership with other organizations to maximize the impact of international relief efforts.

In the past, Dr. Lindgren served as medical director for South Africa Medical Mission in Durban, South Africa. He is the immediate past Executive Director and Chairman of the National Steering Committee for the U.S. Standards of Excellence in Short-Term Mission (SOE) and the National Short-Term Mission Conference.

Dr. Lindgren celebrates a vibrant cross-cultural marriage to his wife Mónica. Mónica is originally from Costa Rica and works with Window of Hope providing critical language and cultural skills. They reside in the Desert Southwest.
