Campus Safety

The University of Arizona College of Medicine-Phoenix is a closed campus. Students, Faculty and Staff are required to wear their PBC card visibly at all times while on campus. PBC cards are required to gain entry into the building and are programmed to allow entry only during specified hours.

<http://phoenixmed.arizona.edu/campus/security>

Important Numbers:

Campus Security:	602-827-2368
Front Desk:	602-827-4350
PBC Emergency Managements Team:	602-827-2045
<u>Police, Fire, Medical Emergency</u>	<u>Dial 911</u>

Hours of Operation:

Students are allowed in the Health Sciences Education Building only when a security guard is present. Students will be required to leave the buildings when the security guard is making his/her final walk through the buildings. If students fail to leave the building they will be considered to be trespassing and will face disciplinary action.

Students are allowed on campus after the above listed hours if they are in the company of a U of A faculty who has extended hours privileges.

As a secure campus, students must not allow anyone to enter who is not properly credentialed. Doors should not be propped open as this threatens the security of the campus. Please do not use the handicapped button to open the doors if you are not handicapped as it leaves the doors open for a longer period of time, which increases the risk of a security breach.

Blue Emergency Phones are at the following campus locations:

East Side Building 2
West Side of Building 2
North of Building 2

Visitors

All visitors to campus are required to check in at the building reception station. Visitors may be asked to wear a visitor badge while on campus.

Student Lounges and Study Areas

Student lounges, library, clinical skills area, and conference rooms are all available to students during campus operating hours. These areas are shared with students from various health sciences programs. Please help keep these spaces clean and free of clutter/trash.

Due to the nature of these areas for studying purposes, please keep noise to a minimum and respect the students and university staff members working around you.

Student Recreation/Gym Membership

Gym membership is now your choice and not a part of the tuition at this time. You may need to show ID at the time of your enrollment.

1. [EoS Fitness Downtown Phoenix](#)
2. [YMCA Lincoln Center](#)
3. [Mountainside Fitness at Chase Field](#)

Room Scheduling

You may schedule a room by visiting or contacting the Office of Student Affairs to determine conference room availability and to make a reservation.

Lockers

Student lockers are provided to all College of Medicine students free of charge. To obtain a locker, students contact the Office of Student Affairs for a locker assignment.

CatCard

The CatCard is the official University of Arizona identification card. The card features a digitized photo, digitized signature, Contactless SmartChip, and magnetic stripe. It is up to you to decide how you want to use your card. When you apply for your CatCard, you will need to provide us with your student or employee identification number to verify your status at The University of Arizona. This information is needed because only students, faculty, staff, and some affiliates of the University of Arizona are eligible to receive a CatCard. This number will not appear on the face of your CatCard, but it will be encoded electronically on your card, to be used for necessary University of Arizona internal purposes only. The number will not be provided to outside entities without your prior consent.

For more information regarding your University of Arizona CatCard, please visit <http://catcard.arizona.edu>.

Student Subsidy Program for Qualified Childcare Expenses

UA Childcare Choice Student Subsidy Program for Qualified Childcare Expenses - through Life & Work Connections and in collaboration with campus partners - helps UA students to defray costs and customize the setting of qualifying, coursework-related childcare occurring in Arizona. Approved, student form submittals allow individuals to receive awards through applicable student accounts, for such childcare expenses already incurred.

Please go to: <https://lifework.arizona.edu/cc/childcare-choice-student>
or call: 520-621-4365

Recycling

The University of Arizona is committed to recycling at the College of Medicine – Phoenix campus. Please pay attention to signs posted to understand what materials are appropriate

for recycling in the **blue recycling bins** on-campus and dispose of them properly. We also have a compost program. Bins and instructions on compostable items are provided in Buildings 1, 2, and 3, and the Health Sciences Education Building.

Recyclable materials:

- Blue recycling bins located around campus for all paper, plastic and aluminum.
- Blue recycling bins label plastic bags only located around campus.
- Battery bucket located in building one's work room – third floor
- Desk top printers ink cartages - Building 1, 3rd Floor Reception area
