Campus Safety

The University of Arizona College of Medicine-Phoenix is a closed campus. Students, Faculty and Staff are required to wear their PBC card visibly at all times while on campus. PBC cards are required to gain entry into the building and are programmed to allow entry only during specified hours.

<http://phoenixmed.arizona.edu/campus/security>

Important Numbers:

Campus Security:	602-827-2368
Front Desk:	602-827-4350
PBC Emergency Managements Team:	602-827-2045
<u>Police, Fire, Medical Emergency</u>	<u>Dial 911</u>
<u>Suicide and Crisis Lifeline</u>	<u>Call or Text 988</u>

Hours of Operation:

Students are allowed in the Health Sciences Education Building only when a security guard is present. Students will be required to leave the buildings when the security guard is making his/her final walk through the buildings. If students fail to leave the building they will be considered to be trespassing and will face disciplinary action.

Students are allowed on campus after the above listed hours if they are in the company of a U of A faculty who has extended hours privileges.

As a secure campus, students must not allow anyone to enter who is not properly credentialed. Doors should not be propped open as this threatens the security of the campus. Please do not use the handicapped button to open the doors if you are not handicapped as it leaves the doors open for a longer period of time, which increases the risk of a security breach.

Blue Emergency Phones are at the following campus locations:

East Side Building 2
West Side of Building 2
North of Building 2

Visitors

All visitors to campus are required to check in at the building reception station. Visitors may be asked to wear a visitor badge while on campus.
