

## The Pre Med Academy Application Guide

- If applicable, please describe any experience you have had in working, volunteering, or shadowing in a healthcare setting. What did you learn from those experiences, and how did they shape your interest in medicine? (Please limit your response to 200 words max)
- If applicable, please describe any community service experience, outside of healthcare, you may have. What motivated you to get involved, and what impact did it have on you or the community? (Please limit your response to 200 words max)
- What do you hope to gain through your participation in the Pre-Medical Summer School? (Please limit your response to 200 words max)
- Why do you want to be a physician? Describe a personal experience, value, or observation that has helped shape this goal. (Please limit your response to 200 words max)
- Describe skills, talents, and/or experiences that would make you a great candidate for Pre-Med Summer School. (Please limit your response to 200 words max)
- What is an extracurricular activity or hobby that you enjoy and why is it important to you? (Please limit your response to 200 words max)
- The College of Medicine – Phoenix is committed to serving Arizona by integrating clinical care with research while upholding its core values. We seek students whose personal and professional aspirations align with these values. Select one of COM-P's attributes or characteristics and discuss how it resonates with you as a student, a future medical professional, and an individual. In your response, highlight how this value has shaped your experiences, influenced your goals, and will guide your journey in medicine. (Please limit your response to 200 words max)
